ARNA Ageing-related Research Information Form

Please provide details of completed or on-going funded research studies on ageing in ASEAN Member States to be included in the List

*Required

ASEAN-WIDE RESEARCH NETWORKING ON AGEING

A. Project Information

Details of the Research Study / Project / Consultancy

1. 1. Title of research *

2. 2. Brief description of research *
(Please state briefly, where applicable, study objective(s), research design, sample size, location (e.g. nationwide or otherwise), method and key findings)

3. 3. Type(s) of research *
(You may choose more than one (1) answer)
Tick all that apply.

- Meta-analysis
- Systemic Reviews
- Randomised Controlled Trials
- Quasi-experimental Studies
- Longitudinal / Cohort Studies
- Cross-sectional Studies
- Case-control Studies
- Case Series / Reports
- Animal Research
- Other:
4. Application(s) of research *
(You may choose more than one (1) answer)
Tick all that apply:
- Fundamental / Basic
- Applied
- Action
- Evaluation
- Other: [ ]

5. Source(s) of research funding *
(You may choose more than one (1) answer)
Tick all that apply:
- University
- Government
- Company / Industry
- Multinational Corporation
- Charitable / Non-profit / Non-government Organizations
- Foundation / Trust / Fund
- International Agency
- Other: [ ]

6. Funding amount (total in USD) *

7. 7a. Research duration (Start) *
Year Started

8. 7b. Research duration (End) *
Year Ended / to be Completed

9. 8a. Is the research study / project / consultancy part of a broader or larger investigation over time? *
Tick all that apply:
- No
- Yes, the research is part of a larger, multi-disciplinary and/or inter-disciplinary programme
- Yes, the research is part of a larger, multi-site study involving different countries
- Yes, the research is part of a longer, repeated study from a time series
10. **8b. Location(s) of research** *
   (You may choose more than one (1) answer if it is a multi-country study)
   
   Tick all that apply.
   
   - Brunei Darussalam
   - Cambodia
   - Indonesia
   - Laos
   - Malaysia
   - Myanmar
   - Philippines
   - Singapore
   - Thailand
   - Vietnam
   - Other Countries in Asia
   - Other Countries in Oceania
   - Other Countries in Europe
   - Other Countries in Africa
   - Other Countries in North America
   - Other Countries in South America

11. **9. Major publications** *
   
   List of related publications or reports for research project / study / consultancy

12. **10. Data sharing** *
    (You may choose more than one (1) answer)
    
    Tick all that apply.
    
    - Dataset freely available for download
    - Dataset available on request and/or subject to conditions
    - Limited dataset available on request and/or subject to conditions
    - Summary data, data documentation or description of dataset is provided
    - Data tables, diagrams or figures are published and publication contains general findings
    - Dataset only available to the research team generating it
    - Dataset is restricted and/or embargoed
    - Other: _______________

**B. Researcher(s) Information**

Information on Project Leader / Principal Investigator / Lead Researcher and Team Members

13. **11a. Name of Principal Investigator** *

14. **11b. Email address of Principal Investigator** *
15. **Affiliation of Principal Investigator** *
   (e.g. Department, Agency, Ministry, University, Institute, Centre, Company, Business, Association [at the time of the study])

16. **Correspondence / Mailing address of Principal Investigator** *

17. **Research collaborator(s) / Team member(s) ...** *
   (You may choose more than one (1) answer)
   Tick all that apply.
   - ... are from the same organization / institution / agency
   - ... from different organizations / institutions / agencies
   - ... consisted of local researchers only
   - ... consisted of international researchers only
   - ... consisted of a mix of local and international researchers
   - ... made up of academic researchers only
   - ... made up of industry (or non-academic) researchers only
   - ... made up of a mix of academic and industry researchers

18. **Name of Contact Person** *
   (Individual who completed this form and will be able to provide additional details if necessary)

19. **Email address of Contact Person** *

20. **Affiliation of Contact Person** *
   (e.g. Department, Agency, Ministry, University, Institute, Centre, Company, Business, Association)

21. **Disclaimer** *
   I confirm that the information given in this form is true, complete and accurate. All data provided is confidential and proprietary of the ARNA Secretariat and shall only be used for the purposes of the Network and shall not be used by any party for commercial gain. Mark only one oval.
   - I understand and agree to all the terms of the Disclaimer set out above and I acknowledge that the information is provided voluntarily.
